DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 9-17 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.
3. Claim 9 recites the phrase, "a cyclic amines" at lines 2 and 3. This should be -- a cyclic amine--. In claims 9-17, the percentage units of cyclic amines and aluminum fluoride derivatives should be stated as a specific unit of measurement such as weight percent or molar percent in a manner that is supported by the original disclosure.
4. The phrase "is one of imidazole and 2-ethyl-4-methylimidazole" at line 3 of claim 9 and lines 3 and 4 of claim 11 uses improper Markush terminology. The phrase should be worded to state, -- selected from the group consisting of imidazole and 2-ethyl-4-methylimidazole--.
5. The phrase "is one of methyl ethyl ketone and propylene glycol mono methyl ether acetate" at lines 6 and 7 of claim 11 uses improper Markush terminology. The phrase should be worded to state, -- selected from the group consisting of methyl ethyl ketone and propylene glycol mono methyl ether acetate --.
6. In claim 11 at line 7, the claim should read, --coating the ferrous or non-ferrous metals--.
7. In claim 11 at lines 10 and 11, the claim should read, -- for one of at least 12 hours at ambient temperature or 15 minutes at 150° C --.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
